"Dorso Mosaico" captures the essence of the bygone eras, translating the harmonies and proportions into a modern sculptural form that celebrates the timeless beauty of the human body. Crafted using Murano glass, these sculptures transcend mere decoration, evolving into objects of high artistic distinction. Each element of these sculptures is meticulously handcrafted, showcasing a diverse range of exquisite decorative techniques:

- *Mosaic: Intricate, multicolored patterns predominantly in shades of red or blue, enhanced with shimmering gold and silver leaf inserts that add depth and elegance.*
- *Murrine: A harmonious blend of transparent white Venetian murrine beads and opaque white glass, creating a delicate yet striking interplay of textures.*
- *Points: Eye-catching glass spheres in captivating hues, ranging from crystalline brilliance to vibrant shades of red or green, adding a dynamic, playful touch.*

Every decorative technique imparts a unique visual identity to the sculpture, making each piece an extraordinary and one-of-a-kind masterpiece.

“Adamo ed Eva” is a sculpture with an innovative, elegant and distinctive form.

The rounded shape and the two upwarded points seem to recall the silhouette of a ballet dancer in the position called “fifth”: pure elegance. The important size denotes its personality.

All handcrafted in white (ivory) and black Murano glass with a central insert of Venetian murrine and a round cameo in fine gold leaf complete the design of this beautiful object.

# FIDIA

The artist masterfully blends the beauty of finely crafted Carrara marble with the allure of Murano glass. This sculpture is an artistic testament to the fusion of two exceptional materials, seamlessly intertwined to form a captivating masterpiece.

At the heart of the composition lies a symbolic circle, meticulously crafted from hundreds of refined Murano glass rods. The color palette chosen—comprising shades of deep red, dark amethyst, and light amethyst—imbues the artwork with a sense of richness and depth.

To complement this extraordinary piece, "Fidia" is elegantly supported by a specially crafted metal stand. This stand, painstakingly painted to perfection, serves as a sophisticated foundation for the sculpture, enhancing its presence and visual impact.

# PIANETI

## Three Disk Glass Sculpture

Three intricately crafted glass discs—measuring Ø 20 cm (7¾"), Ø 30 cm (11¾"), and Ø 40 cm (15¾")—are elegantly stacked to form "Pianeti", a striking glass sculpture. Handcrafted by our skilled master glassmakers using the traditional mosaic technique, this sculpture exemplifies the timeless artistry of Murano glass.

Each disc is a "mixture" of small stained glass tiles, meticulously arranged and enriched with shimmering gold and silver leaf, as well as exquisite Venetian murrina beads, creating a harmonious blend of color, texture, and brilliance.

This versatile sculpture enhances both classic and modern interiors, serving as a conversation piece and a symbol of refined elegance.

The entire composition is securely anchored by a sleek and sturdy metal base, ensuring stability while complementing the delicate beauty of the glasswork. Pianeti is more than a sculpture—it's a celebration of Venetian craftsmanship and artistic expression.
